Partnership Status Disclosure Notice

Important Information Regarding Your Policy's Long-Term Care Insurance Partnership Status

This disclosure notice is issued in conjunction with your long-term care policy.

Some long-term care insurance policies sold in Louisiana qualify for the Louisiana Long-Term Care Insurance Partnership Program. Insurance companies voluntarily agree to participate in the Partnership Program by offering long-term care insurance coverage that meets certain State and Federal requirements. Long-term care insurance policies that qualify as Partnership Policies may be entitled to special treatment, and in particular an "Asset Disregard," under Louisiana's Medicaid program.

Asset Disregard means that an amount of the policyholder's assets equal to the amount of long-term care insurance benefits received under a qualified Partnership Policy will be disregarded for the purpose of determining the insured's eligibility for Medicaid. This generally allows a person to keep assets equal to the insurance benefits received under a qualified Partnership Policy without affecting the person's eligibility for Medicaid. All other Medicaid eligibility criteria will apply and special rules may apply to persons whose home equity exceeds \$500,000. Asset Disregard is **not** available under a long-term care insurance policy that is not a Partnership Policy. **The purchase of a Partnership Policy does not automatically qualify you for Medicaid.**

Partnership Policy Status. Your long-term care insurance policy is intended to qualify as a Partnership Policy under the Louisiana Long-Term Care Partnership Program as of the effective date of your Policy.

What Could Disqualify Your Policy as a Partnership Policy? If you make any changes to your policy, such changes could affect whether your policy continues to be a Partnership Policy. **Before you make any changes, you should consult with The Prudential Insurance Company of America to determine the effect of a proposed change.** In addition, if you move to a State that does not maintain a Partnership Program or does not recognize your policy as a Partnership Policy, you would not receive beneficial treatment of your policy under the Medicaid program of that State. The information contained in this Notice is based on current State and Federal laws. These laws may be subject to change. Any change in law could reduce or eliminate the beneficial treatment of your policy under Louisiana's Medicaid program.

Additional Information. If you have questions regarding your insurance policy please contact The Prudential Insurance Company of America at 877-232-3610. If you have questions regarding current laws governing Medicaid eligibility, you should contact the Louisiana Department of Health and Hospitals at 888-342-6207.
